Dear Colleague,

Due to the rapidly changing situation regarding COVID-19, we have decided to postpone the deadline of the Sabbatical application.

We are committed to relaunching the program after the current situation stabilizes. We are aware that nonprofit leaders are under extraordinary pressure and applying to Durfee's sabbatical program is not a priority right now. We also believe that the Durfee Sabbatical program will be needed more than ever once we move beyond this current emergency, and are committed to bringing the program back when circumstances indicate that it would be the right thing to do. We will send notice when applications open again and will give plenty of lead time before the deadline.

Thank you for your leadership during this time. We hope that you, your staff, communities and loved ones stay safe and healthy.

Stay well,

Claire Peeps
Executive Director, The Durfee Foundation
